"Seeing is Believing."

And a good lamp
must be simple; when it is not simple it is
not good. Simple, Beautiful, Good—these
words mean much, but to see "The Rochester"
will impress the truth more forcibly. All metal,
tough and seamless, and made in three pieces only,
it is absolutely safe and unbreakable. Like Aladdin's
of old, it is indeed a "wonderful lamp," for its mar-
velous light is purer and brighter than gas light,
softer than electric light and more cheerful than either.

Look for this stamp—THE ROCHESTER. If the lamp dealer has not the genuine
Rochester, and the style you want, send to us for our new illustrated catalogue,
and we will send you a lamp safely by express—your choice of over 1,000
varieties from the Largest Lamp Store in the World.
